

THE SMART PAPER MAILER FOR ECOMMERCE

MAKE A SUSTAINABLE PACKAGING CHOICE FOR YOUR ONLINE BUSINESS!

e-Green is the packaging range for online shops that pay attention to sustainability and the reduction of plastic packaging – and that want to increase the efficiency of their shipping process. **e-Green** mailers are designed to meet both challenges. They are made of 100% strong kraft paper and thus fully recyclable. As the bags adjust to the content, no unnecessary volume or air is being transported.

SUSTAINABILITY OR COST EFFICIENCY? YOU CAN HAVE BOTH!

e-Green is made from 100% strong FSC® kraft paper and thus fully recyclable. Equipped with two adhesive strips and a tear perforation, this bag is ideal for ecommerce businesses. Easy to pack and close, easy to open and reclose – in case of return shipments. Consumers will appreciate the ease of it.

As consignor, you are reducing packaging material, volume, weight, and freight cost, compared to using oversized boxes. By using a recyclable paper bag, you will also reduce your environmental footprint.

e-Green is ideal for goods, which do not require a solid box, or which are prepacked, such as clothing, shoes, accessories, cosmetics, consumer electronics and much more ...
